## Examples

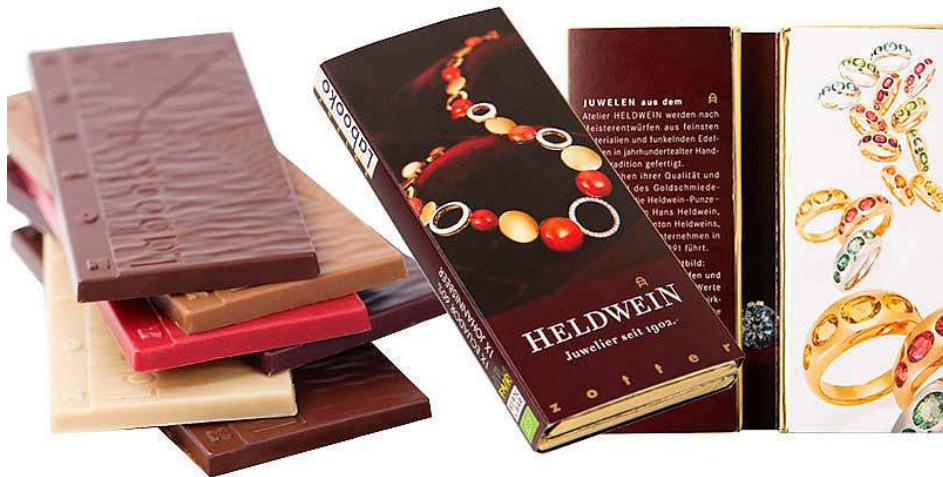

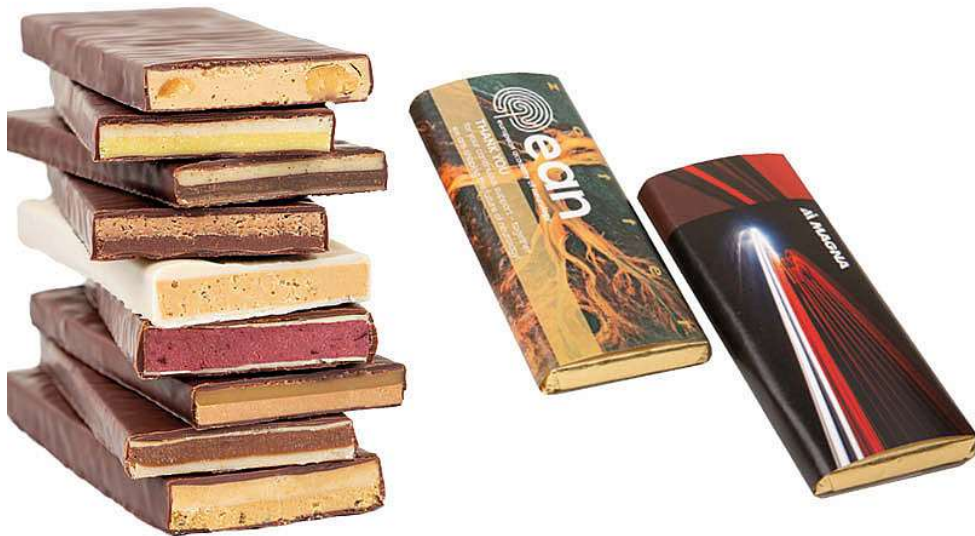

Usually, our customers choose their own design/ci/logo etc. and have a graphic designer by hand which does the design for them. In the case above, Hyatt chose to pay extra for an exclusive design from our in-house artist Andreas H. Gratz. If you provide your own design, there is no extra cost for designing the packaging.

This is the personalized Labooko Bar, we have made for the HYATT Regency Coconut Point in Bonita Springs, FL.

These are examples for hand-scooped bars

We also have mini Chocolate Bars (8grams), called Labooko Mini. They start from 1000 pcs and their price is 0.89 / piece without printing cost.

Some ideas for wedding motifs (you also can use your own designs and photos)
